MEMORANDUM FOR: Deputy Project Director

SUBJECT : Clearances for Generals Schreiber and Ritland

1. During my recent trip I briefed General Ritland on RAINBOW and authorized him to make General Schreiber witting of our progress in this Project. My reason for so doing was the possible application of RAINBOW to the major project in progress at the Western Division of ARDC.

2. I agreed with General Ritland's request that both he and General Schreiber should be cleared for access to [REDACTED] anytime they wished to go there and also have access to RAINBOW activities at [REDACTED]. I would appreciate it if you would so advise the appropriate persons at [REDACTED] when you are there next week.
